

The 5th Tuesday Oktoberfest was an outstanding event. It was wonderful to see so many of you! For those who weren't able to come, you missed some great fellowship and we missed you. The evening was enjoyed by all and the Social Committee headed up by Sally Gantt with the assistance of her able volunteers, Silvia Thatcher, Brenda Molten and Myrna Lehman did a fabulous job on the event. As always, the food was delicious due to the many great cooks in this group. The homemade apple dumplings were certainly a special treat!

We had the pleasure of meeting two great new SWVF&R members, Autumn Lindsey (firefighter and paramedic) and Justin Memory (EMT and certified firefighter). Oh yeah, did we mention that they are YOUNG? Or at least in comparison to **some**, most of us! :) They are a welcomed addition to StillWaters and we look forward to getting to know them better.

SWVF&R Board President George Brady updated the group and expressed thanks to all. Sheri & Jeff Wright gave a terrific presentation on the new Cadet program that they have been showing at several local club meetings and in schools assisted by Chuck & Myrna Lehman. This educational program is off to a very positive start.

The Christmas Party is scheduled for Friday, December 13th at the SWRA Centre. Please mark your calendars and watch for the information from the Social Committee. And remember that we are always open to new members, so invite your friends and neighbors.

Thanks for all that you do and for your support of our great SWVF&R volunteers.
